

BLACKHAWK

WARRANTY

The Blackhawk HH11 is an exceptional all-season touring engineered to deliver outstanding handling and all-season performance. Blackhawk tires offer unmatched value and performance, that's why we're excited to announce the HH11 will now offer enhanced Road Hazard Replacement Program, as well as a Limited Tread Life Protection Plan for up to 100,000kms.

The Blackhawk HH4S is a true all-weather tire that can carry you through all 4 seasons in Canada. Engineered to meet the challenges of delivering performance throughout the worst of the unpredictable 12-months of the year, the HH4S combines the comfort and silence of all-season tires with the capabilities of a winter tire. The HH4S will also now offer an enhanced Road Hazard Replacement Program, as well as a Limited Tread Life Protection Plan up to 65,000kms.
