

BLACKHAWK

ROAD HAZARD REPLACEMENT PROGRAM

Blackhawk originates from the strength, agility, speed and razor-sharp grip found in the powerful bird of prey itself, similarly our products are designed and crafted with those same attributes in mind. The care and best-in-class craftsmanship put into Blackhawk tires deserve the same level of best-in-class warranties which is why we continue to enhance our Road Hazard Replacement Program. Beginning January 1st, 2025, all Blackhawk tires will now come with a 2-year Road Hazard Replacement Program, from the date of original invoice or within the first 3/32nds.
